

Frequently Asked Questions

When is the registration deadline?

We need to end registration on **Tuesday, August 5th** so we can set the schedule and get them out to the teams.

Is this appropriate for the younger kids?

Yes, the younger kids have a blast! We have divisions as young as 2nd grade and below. We are especially looking for the younger teams so that they will want to keep playing.

What about the non-kids?

You are never too old to play in the Wiff-O Classic! We have divisions for the ladies, co-ed, over-30's and open! Don't worry – we have plenty of ice.

But I can't hit those wicked curveballs?

You won't have to! The pitches are slow lobs. The intent is to hit the ball. We are here to have fun!

How many do I need for my team?

Most teams have 4, but some only play with 3. You can have 3 on the field at a time.

What division do I register for?

Use the grade that the child was in last year. No player can be older than the grade level they are registered for.

What's the cost?

\$80 per team of (max 4 players), \$20 extra for optional 5th and 6th players. This is a fundraiser for GVLL.

Do I have to be involved with GVLL to play?

Nope! We are looking for kids and adults from any league. We'll even take soccer kids!
